

Tattoo Contest and Rules

You may only enter one tattoo per class; however you may enter the same tattoo into two different classes as long as the tattoo fits into the class requirements listed below.

Once a class has started judging there will be no late entries.

Judging will be done by a panel of at least 3 judges. *If the Judge knows the artist or person then they will not be allowed to judge that tattoo.* Scoring will be done on a 1-10 scale, based on the overall appearance of tattoo.
